MEMORANDUM FOR THE RECORD

SUBJECT: Report of Visit to NPIC by Corning Glass Works Personnel

1. On 1 July 1968, [] visited NPIC for the purpose of observing some of our rear projection viewers in operation.

25X1

2. Prior to observing the viewers, these Gentlemen were briefed on the various rear projection viewers recently developed. The NPIC Equipment Summary-1967, was used as an exhibit during this briefing.

3. Upon completion of the briefing, the Corning personnel and Dr. Vincent accompanied me to the IAS area where [] demonstrated the Richardson 705 Rear Projection Viewer.

25X1

4. The group then proceeded to the SPAD area where [] demonstrated the ITEK Rear Projection Viewer.
